This certification is valid through **March 31, 2007** inclusive. While the certification is valid for three-year period, we will request annual updates regarding those issues critical to maintaining your certification.

If the firm should develop the resources, including equipment and personnel, to become involved in other areas and wishes to be certified in those areas, you must notify this office for a determination, which may require additional documentation. If the firm no longer has the ability to perform in certain areas or loses its pre-qualification status in certain areas, IDOA must be notified of those changes within seven (7) days of the firm notification of the same. Failure to do so may result in your firm being removed from eligibility.

IDOA reserves the right to rescind this certification if any of the following are found to be true: 1) the above requirements are not met; 2) the information upon which the certification is based proves to be false, inaccurate or misleading 3) other just cause is determined through established investigative procedures.
